<b>Reserve Fund Name:</b>	<b>Fleet &amp; Equipment</b>
<b>Financial Statement Location:</b>	<b>Surplus Allocation</b>

The Fleet & Equipment Rehabilitation and Replacement Reserve Fund (the "Fund") is hereby established to receive and hold property tax sourced contributions, and net proceeds of sale of fleet and portable capital equipment for funding major repairs, restorations, upgrades or replacement of the Township's rolling stock fleet and operational major portable equipment. Such owned assets include but are not strictly limited to all licensed motor vehicles, trailers, and related equipment components, unlicensed vehicles and powered equipment, "light" fleet used by the fire department (except heavy fire apparatus), and other machinery and equipment and other related assets not classed as "minor equipment" or "small tools" by the Township's financial and budget policies. Routine operational repairs for normal wear and tear items are not to be funded from this reserve fund.

Contributions may be established in annual budgets, mid-year by Council, or be allocations of year-end operating or capital surpluses, and the net proceeds of sale of fleet & equipment. Fund balances will earn and retain annual interest allocations as determined annually by the Treasurer.

The target balance for this account is set at the ten year average spending on rehabilitation and replacement of capital fleet and equipment assets. Allocations of balances in the Fund will be planned for specific projects and purposes as approved by Council during the annual budget process or other times throughout the year, or made as part of the year-end accounting processes as reported to Council for approval by the Treasurer.

At any time, acting in the best interests of the Township, Council may direct that some or all balances in the Fund be transferred to other reserve funds, or be used for other purposes, provided that the transfer or use of tax sourced funding is appropriate in the circumstances.

The Fund is hereby established arising from the renaming of the existing Road Equipment (Fleet) reserve account G/L # 10-03-0400-1160 and balance.
